SCHOOL CANCELLATIONS/EARLY RELEASE

As we recognize that childcare is critical to those families enrolled in our programs, our sites make every effort not to close for weather-related circumstances. However, If school is cancelled **AND** there is a parking ban in the City of East Providence, the club will be closed.

If children are released early from school due to weather conditions, we will make every effort to transport them in the normal fashion to our Williams Avenue Clubhouse. In some such cases, we may make the decision to close early for the safety of our staff. If this is the case, we will call and/or send a text alert to registered families.

Closing Notifications: All official announcements regarding the Boys & Girls Club of East Providence will be made through the Rhode Island Broadcasters Association, which shares this information with all local media outlets. Additionally, we will send a text alert to all families who have signed up for our Remind Text Alert service. **Please refer to these sources for updated information – during a weather emergency, it is often difficult for us to answer the volume of parent calls asking about our schedule, therefore calling the Club may not provide the most updated information.**

Due to our already-discounted fees, there will be NO REFUNDS based on weather-related closings.

AUTHORIZED PICKUP

Child care regulations allow us to release children only to 1) The parent/guardian, 2) an adult individual who has been authorized, in writing, by the parent/guardian to pick up the child, and whose identity can be verified by a photo ID. There will be no exceptions to this policy, so be sure that anyone you may want to pick up your child is listed on the Pickup Authorization Card. Additions, corrections or deletions must be done in person by the parent/guardian.

Parents/guardians who have a protective or no contact order against any individual shall notify and provide a copy to child care staff. If the person upon whom the order has been placed attempts to remove a child from the program, we will call the East Providence Police Department and notify you as soon as possible.

TRANSPORTATION

Transportation to and/or from school, camp, and field trips is provided by the Boys & Girls Club vans, East Providence School Dept. busses, and/or contracted transportation companies. Children are only permitted to ride in private vehicles in the case of an emergency; if such an occurrence arises, the staff member operating the vehicle needs to get permission from both the child's parent/guardian and their supervisor prior to taking such action.

Club-Owned Transportation

Licensing

The Club conducts a driving record background check for all potential Club drivers.

If said check is clear, and the driver does not already have a commercial license (CDL or chauffeurs), the employee then applies to receive a chauffeurs license, which is the minimum commercial endorsement required to operate a Club van.

GUIDANCE AND DISCIPLINE

One of the major objectives of the Boys & Girls Club of East Providence is to help children grow into responsible individuals. In cooperation with home, school and community, we can best fulfill our role in this area by providing a constructive daily program that emphasizes honesty, respect and responsibility.

Since we are a guidance-oriented agency, we will always take time to talk to a child with deficient behavior. Many times all we need to do is talk with a child to mediate a disagreement or correct misconduct. However, if our normal remedial actions have no effect and the misbehavior continues, the following discipline procedure goes into effect.

Level 1

Staff talks to child emphasizing positive behavior, conduct and sportsmanship, and outlines why child is being spoken to.

Level 2

Staff reviews Level 1, and gives child verbal warning.

Level 3

Staff again reviews Level 1, but also verbally notifies parent/guardian of misbehavior.

Level 4

Written notification to parent/guardian requesting conference to address the child's misbehavior.

Level 5

A conference with parent/guardian and possibility of suspension.

If problems continue to escalate beyond Level Five, the child and their parent/guardian will need to meet with the Executive Director to sign a behavior contract in order to continue participating in Club programs.

If there is a serious, ongoing problem with a child, the child care staff reserves the right to immediately suspend him/her, with a follow up conference at a later date. The Executive Director also reserves the right to revoke membership permanently in certain situations including but not limited to: bringing weapons or drugs onto Club property, threatening serious harm to other children or Club staff, and threatening serious damage to Club property.

BULLYING POLICY

What is bullying? Bullying happens when someone hurts or scares another person on purpose and the person being bullied has a hard time defending himself or herself. Usually, bullying happens over and over. Examples of bullying behavior include:

- Punching, shoving and other acts that hurt people physically
- Spreading rumors about people
- Keeping certain people out of a group
- Teasing
- Getting certain people to gang up on others
- Making negative comments about someone's appearance

The Boys & Girls Club of East Providence has adopted the following bullying policy, separate from our discipline policy outlined above.

1. The first time a child acts as a bully, they will be given a verbal warning by Club staff. The unit director will be informed of the situation, and the parent will be advised that a verbal warning has been issued.
2. The second time a child acts as a bully, they will be sent to the office. S/he will be given a written warning by the unit director, and will be punished either by sitting in time out in the office or by doing some community service acts at the Club. The unit director will contact both the victim and the accused bully's parents/guardians by phone to discuss the situation.
3. The third time a child acts as a bully, they will be sent home from our center. They can return the following day provided that the family meets with the unit director or executive director. The family of the victim will also be contacted again.
4. The fourth time a child acts as a bully, the child will be sent home from the Club for the day and will not be able to return until a behavior contract is drafted and signed by their parents and the staff.
5. If the behavior contract is violated by future acts of bullying, the child will be expelled from our program.
